INSTRUCTION BOOKLET

UBISOFT<sup>®</sup>

**PLEASE CAREFULLY READ THE SEPARATE HEALTH AND SAFETY PRECAUTIONS BOOKLET INCLUDED WITH THIS PRODUCT BEFORE USING YOUR NINTENDO® HARDWARE SYSTEM, GAME PAK OR ACCESSORY. THIS BOOKLET CONTAINS IMPORTANT HEALTH AND SAFETY INFORMATION.**

**IMPORTANT SAFETY INFORMATION: READ THE FOLLOWING WARNINGS BEFORE YOU OR YOUR CHILD PLAY VIDEO GAMES**

### **WARNING - Seizures**

- Some people (about 1 in 4000) may have seizures or blackouts triggered by light flashes or patterns, such as while watching TV or playing video games, even if they have never had a seizure before.
- Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.
- Parents should watch when their children play video games. Stop playing and consult a doctor if you or your child have any of the following symptoms:

**Convulsions**  
**Altered vision**

**Eye or muscle twitching**  
**Involuntary movements**

**Loss of awareness**  
**Disorientation**

To reduce the likelihood of a seizure when playing video games:

1. Sit or stand as far from the screen as possible.
2. Play video games on the smallest available television screen.
3. Do not play if you are tired or need sleep.
4. Play in a well-lit room.
5. Take a 10 to 15 minute break every hour.

## **WARNING - Repetitive Motion Injuries and Eyestrain**

Playing video games can make your muscles, joints, skin or eyes hurt after a few hours. Follow these instructions to avoid problems such as tendinitis, carpal tunnel syndrome, skin irritation or eyestrain:

- Avoid excessive play. It is recommended that parents monitor their children for appropriate play.
- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- If your hands, wrists or arms or eyes become tired or sore while playing, stop and rest them for several hours before playing again.
- If you continue to have sore hands, wrists or arms or eyes during or after play, stop playing and see a doctor.

## **WARNING - Battery Leakage**

Leakage of battery acid can cause personal injury as well as damage to your Game Boy. If battery leakage occurs, thoroughly wash the affected skin and clothes. Keep battery acid away from your eyes and mouth. Leaking batteries may make popping sounds.

To avoid battery leakage:

- Do not mix used and new batteries (replace all batteries at the same time).
- Do not mix alkaline and carbon zinc batteries.
- Do not mix different brands of batteries.
- Do not use nickel cadmium batteries.
- Do not leave used batteries in the Game Boy. When the batteries are losing their charge, the power light may become dim, the game sounds may become weak, or the display screen may be blank. When this happens, promptly replace all used batteries with new batteries.
- Do not leave batteries in the Game Boy or accessory for long periods of non-use.
- Do not leave the power switch on after the batteries have lost their charge. When you finish using the Game Boy, always slide the power switch OFF.
- Do not recharge the batteries.
- Do not put the batteries in backwards. Make sure that the positive (+) and negative (-) ends are facing in the correct directions. Insert the negative end first. When removing batteries, remove the positive end first.
- Do not dispose of batteries in a fire.

## THE STORY

---

Welcome to Trollzopolis™, where fun and fashion always have a magical twist! At the center of it all are the five Best Friends for Life (BFFL) – Amethyst, Topaz, Sapphire, Ruby, and Onyx. These Trollz™ girls share everything, including their newfound magical powers! In Trollz™: Hair Affair™, the cool freshman boys have been falsely accused of cheating, which means they might be sent to military school and have their beautiful hair shaved off! It's up to the Trollz™ girls to save them!

# THE CHARACTERS

## Amethyst

Enchanting, curious, and adorable! She is the heart of the BFFL.

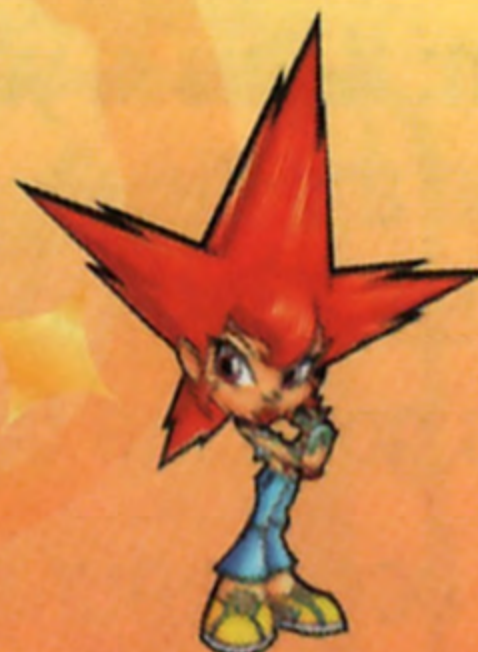

## Topaz

Eccentric, attractive, loveable. Topaz is a fashion genius!

## Sapphire

## Ruby

The Princess. Ruby's got everything – and enough attitude to let you know it.

## Onyx

Fashionably anti-fashion. Onyx is as brave as she is cool.

# GAME MENUS

---

## Main Menu

After you've entered your name and picked your difficulty level, you will be taken to the Main Menu. Several choices are available:

### BOOM ROOM

This is your own personal arcade room, where you can practice your mini-game skills. The more of the story you complete, the more levels you'll find in the Boom Room! You can also unlock and dance as all five Trollz™ girls in outfits you put together.

There are five mini-games:

- Watch the Hair
- Smarty Trollz™
- Trollz™ Dance
- Flying Spell
- Spell Beadz

Can you beat your high score?

Can you earn enough points to get some Trollars™ to spend on Trollz.com?

## PROFILES

Learn about each of the five Trollz™ girls and even change their outfits! Use Left and Right on the +Control Pad to choose a different girl and read her profile. Using the Outfitter, you can change the top, pants/skirt, and shoes for the Trollz™ you have selected. You can win more super-chic outfits throughout the game.

# STORY MODE

---

As you learn about the BFFL's magical day, you get to help them play through the story by completing many levels of five fun mini-games. The games get harder as the story progresses, so hang in there – the boys need your help! The game will automatically remember where you leave off in the story.

**NOTE:** If you get stuck, you can always go to the Boom Room to practice the mini-games. And you can change the game's difficulty setting in the Options menu.

# BOOM ROOM

---

This part of the game lets you pick your favorite mini-games to practice or play just for fun. There's a high score list for each game, so you can measure your progress. Also, if your score is really awesome, you can unlock new clothing and earn Trollars™ for Trollz.com!

**NOTE:** High scores are saved for you automatically!

# EARN TROLLARS™

.....

Playing the mini-games in the Boom Room is more than just fun – it's rewarding! Seriously! When you score a pre-determined number of points, you'll be awarded codes that may be entered on the Trollz™ website, [www.trollz.com](http://www.trollz.com), where they can be redeemed for Trollars™ to spend on the site! Earned Trollars™ codes are saved for you in the Options menu.

## ..... MINI-GAMES & BFFL COOPERATION .....

Each Trollz™ girl has her own mini-game. But they – and you! – aren't playing solo! You can always call on one of the BFFL to help you with her magic and power you up! That's what friends are for!

For example, Topaz can call on Sapphire's magic to briefly freeze enemies in place in the Watch the Hair mini-game. And Amethyst can call upon Topaz in the Flying Spell game to befriend enemies. Since there are five games with five BFFL power-ups each, that's 25 different powers to play with!

As the story progresses, you'll play different versions of each game. You can also just go straight to the Boom Room to practice the mini-games or play any time, as long as you want!

## Watch the Hair

Topaz, the fashionista, is also great with hair! Topaz will use her magic to shrink to the size of an ant and travel onto the very hairdos of the other Trollz™ to find out what's causing their bad hair days. It's up to you to help Topaz fix her friends' hairdos before the Frizzies, and Snarf, get you!

## CONTROLS

**A Button:** Untangle hair. (Some tangles may require multiple tries!)

**+Control Pad:** Move Topaz around the hairdo.

**L Button:** Select BFFL power.

**R Button:** Use BFFL power.

# BFFL POWER-UPS FOR WATCH THE HAIR

**Amethyst Speeds:** Super-speed.

**Topaz Shakes:** Shakes off Frizzies.

**Ruby Untangles:** Unknots some of the tangles a little.

**Onyx Shields:** Protects you from enemies.

**Sapphire Freezes:** Temporarily freezes enemies.

## Smarty Trollz™

Sapphire's really smart, but she needs your help matching cards. Her action-puzzle game combines memory matching and falling cards. Your goal is to match sets of character portraits while avoiding Simon and Snarf! As the game progresses, cards will fall into empty slots and if you expose Simon or Snarf without matching them, they'll mess up all the cards! Oh no!

## CONTROLS

**A Button:** Turn over card.

**+Control Pad:** Select card.

**L Button:** Select BFFL power.

**R Button:** Use BFFL power.

## BFFL POWER-UPS FOR SMARTY TROLLZ™

**Amethyst Reveals:** Reveals two random cards.

**Topaz Gets Card:** Finds the other card to complete a match.

**Ruby Recharges:** Heals you.

**Onyx Auto-Matches:** Automatically makes a match.

**Sapphire Reveals:** Shows where an enemy is.

## Trollz™ Dance

Ruby can really step in this mini-game, and she does it with attitude! In Trollz™ Dance you match the rhythm of the falling patterns with the groove of the beat. Easier settings have fewer patterns and fewer symbols to match. Harder settings have more complicated patterns and more symbols. Diva-licious! Unlock and dance as all five Trollz™ girls in the Boom Room!!

### CONTROLS

**+Control Pad/A and B Buttons:** Match the falling symbols!

**L Button:** Select BFFL Power.

**R Button:** Use BFFL Power.

# BFFL POWER-UPS FOR TROLLZ™ DANCE

**Amethyst Score Boost:** Score bonus.

**Topaz Meter Boost:** Meter bonus.

**Ruby Saves:** All MISSES become GOOD.

**Onyx Clears:** Erases falling symbols.

**Sapphire Aids:** Increases range to do better.

## Flying Spell

This is Amethyst's game. In Flying Spell, you guide Amethyst through many different terrains and get her safely to her destination. Watch your blue magic meter. If it runs out of magic, you're out of juice!

## CONTROLS

**A Button:** Fire the Magic Bubble, which erases enemies.

**+Control Pad:** Control Amethyst.

**L Button:** Select BFFL Power.

**R Button:** Use BFFL Power.

## BFFL POWER-UPS FOR FLYING SPELL

**Amethyst Speeds:** Fly faster.

**Topaz Befriends:** Befriends enemies, making them harmless.

**Ruby Shields:** Vacuum shield, attracts power-ups.

**Onyx Protects:** Invulnerability, gives you a shield.

**Sapphire Magic Boost:** Magic bonus, keeps your meter steady.

## Spell Beadz

Onyx challenges you to line up her Spell Beadz by shooting them at each other using magic. When a Spell Bead lands in place with at least two other beadz of the same color, they make a match and clear away. After some time, another row drops down. If the beadz touch the bottom of the screen, you'll have to try again, but don't forget – the BFFL girls can help you with their magic!

## CONTROLS

**A Button:** Launch Spell Beadz.

**B Button:** Swap the current launcher bead with the next one.

**+Control Pad Left or Right:** Rotate Beadz launcher.

**L Button:** Select BFFL Power.

**R Button:** Use BFFL Power.

## BFFL POWER-UPS FOR SPELL BEADZ

**Amethyst Flies:** Clears beadz from the bottom.

**Topaz Matches:** Matches the color of a bead you hit.

**Ruby Guides:** You can control where the bead goes.

**Onyx Clears:** Erases the beadz it touches.

**Sapphire Aims:** Shows a guiding beam.

# BFFL HUD (Heads-Up Display)

Every mini-game features the BFFL HUD. For example, here's a gameplay screen from Topaz's Watch the Hair game.

The Trollz™ girl in the upper left represents the mini-game. In this case, we're playing Watch the Hair, so the character would be Topaz. But this picture changes when a BFFL power-up is activated – then the symbol of character whose power you've activated is

shown. On this screen, the flower symbol means that Topaz is being helped by Sapphire.

The round, colored objects on the semicircle around the character are the Spell Beadz the player has earned in the current game. (Note: You can only carry one of each colored bead at a time).

The player can use the L Button to choose between the collected Spell Beadz. The selected bead will look like its matching icon. A blue bead turns into a blue flower (Sapphire), a pink bead turns into a pink heart (Amethyst), etc. In the image above, the larger object on the bracelet is a pink heart.

Pressing the R Button activates the power-up. Text will appear to explain what the power-up does ("SAPPHIRE FREEZES," "TOPAZ BEFRIENDS," etc.), and the character picture will be replaced with the power-up symbol while the power-up is active. See each of the mini-game descriptions for a list of the power-ups for that game.
